**Minimum S.H. Required for Degree      120**

The BS in Entrepreneurship requires a minimum of 120 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation.

<sup>1</sup>Students enrolling at ECU must fulfill the writing across the curriculum requirement prior to graduation. To do so, each student must complete a minimum of 12 semester hours of writing intensive (WI) courses, including ENGL 1100 and ENGL 2201; at least 3 semester hours of WI courses in the major; and any other 3 semester hours WI course of the student's choice.

<sup>2</sup>Students who have successfully completed HEA 110 since the Fall 2016 term will earn ECU credit for both HLTH 1000 (2 hours) and KINE 1000 (1 hour). Students who completed HEA 110 prior to the Fall 2016 term and who have not also taken PED 110 will be responsible for meeting the Health-Related Physical Activity Competency component of the ECU General Education Program to meet degree requirements.

<sup>3</sup>Choose 6 s.h. from the following course options: ENTR 4262, 4272, 4955 or 4995.

<sup>4</sup>The student selects 18 s.h. of courses in a minor or specialty area based on entrepreneurial interest. The minor, certificate, or specialty area must be approved by the program director. Six semester hours (6 s.h.) of junior level courses (3000 level or above) are required. The student may choose 18 s.h. from an existing minor or certificate, or design a specialized area of focus. Faculty and program director work closely with the student to ensure an appropriate fit between selected courses and entrepreneurial interest, before acceptance into the entrepreneurship degree program.

*This plan reflects the degree program's requirements published in the 2019-2020 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.*
