Minimum S.H. Required for Degree 120

Sociology majors must earn a minimum grade of C (2.0) in SOCI 2110. In order to graduate, all students must have earned a minimum cumulative GPA of 2.0 and a GPA of 2.0 in the major. Students must take a fourth WI course in their Minor or electives.

All guides are meant as an example of how a degree can be completed. However, individual plans will be developed for each student in consultation with the academic advisor. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing the individual academic pathway.
