	Minimum S.H. Required for Degree	126	

The design program is accredited by the Association of Technology, Management, and Applied Engineering.

Up to 63 hours of the degree may be applied from 2 year institution.

Seeking advising from a Technology Systems Academic Advisor is strongly encouraged as soon as the student is accepted to ECU. Visit the ECU CET advising website for more information.

All guides are meant as an example of how a degree can be completed. However, individual plans will be developed for each student in consultation with the academic advisor. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing the individual academic pathway.
