Minimum S.H. Required for Degree 126

<sup>1</sup>Recommended course for major, but not required for graduation.

A minimum GPA of 2.0 in all 1000 level basic science and math courses, a minimum cumulative GPA of 2.0 on at least 30 s.h., and completion of EHST 2110 are required for admission to the professional phase of the environmental health sciences curriculum. Environmental health majors must pass all environmental health courses with a minimum grade of C- (1.7). A student earning a D (1.0 or lower) in any of these courses must petition the environmental health sciences faculty for probationary continuation.

**Recommended Cognates** (Choose at least 6 s.h.)

\*Transferrable courses may count towards Recommended Cognates.

MIS 2223 (CIS 110), PHYS 1260/1261 (PHY 152), GEOG 3220 (prerequisite is GEOG 2250) or GEOL 5710/5711 (prerequisite is GEOL 1500/1501 (GEL 111)), MATH 2119 (MAT 263), MATH 2121 (MAT 263)

Students preparing for entry into graduate health professional schools or programs including Medicine, Dentistry, Physical Therapy, Pharmacy, and Optometry should check with specific schools to see if prerequisite coursework completed at a community college is eligible for admission.

*All guides are meant as an example of how a degree can be completed. However, individual plans will be developed for each student in consultation with the academic advisor. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing the individual academic pathway.*
