Minimum S.H. Required for Degree 120

Freshmen may declare family and consumer sciences (FACS) teacher education as their major. Transfer students must have completed at least 12 s.h. at East Carolina University with a minimum cumulative grade point average (GPA) of 2.5 to declare. Prior to enrolling in selected courses, all FACS students must be admitted to the Upper Division of Teacher Education. Requirements for admission to upper division include, but are not limited to, satisfactory scores on PRAXIS 1, a minimum cumulative GPA of 2.5, and demonstration of computer competency. In addition, FACS majors must achieve a minimum grade of C (2.0) in all courses required for the major. Students earning less than a C (2.0) in a prerequisite major course must repeat the course before the subsequent upper-level course may be taken. FACS students are required to complete the ServSafe Manager Certificate prior to graduation.

Applications for admission to internship must be submitted to the internship coordinator one year prior to the semester in which the student will complete internship requirements. For admission to internship, FACS majors must have a minimum grade of C (2.0) in the early experience (FACS 2123), methods courses (FACS 2380, FACS 4317, FACS 4323), and EDUC 3200. A minimum grade of C (2.0) in internship (FACS 4324) is required for licensure. Additional information about upper division, internship, and licensure can be found in the College of Education section of this catalog and in the handbook, Welcome to Teacher Education.

All guides are meant as an example of how a degree can be completed. However, individual plans will be developed for each student in consultation with the academic advisor. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing the individual academic pathway.

^{*}Admission to Upper Division Required
