Associate in Science (AS) to BS in Health Services Management

Minimum S.H. Required for Degree 126

¹Required to apply to HSMA major. C grade or higher required for each course. Minimum 2.5 GPA to apply. Students should apply to program during their sophomore year. Applications are due February 1. Program will accept MATH 2283, 2228 or PSYC 2101, but BIOS 1500 is preferred. BIOS 1500 is not typically offered in the summer sessions and must be completed before entry into program.

²Recommended course, but not required for major.

³HIMA 3000 and HSMA 3115 NOT needed for AHC students. 6 hours of extra electives required.

All guides are meant as an example of how a degree can be completed. However, individual plans will be developed for each student in consultation with the academic advisor. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing the individual academic pathway.
