Minimum S.H. Boquired for Dogroo 124				

Associate in Science (AS) to BS in Recreational Therapy

Minimum S.H. Required for Degree 124 The recreational therapy (RT) program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) through the Committee on Accreditation for Recreational Therapy Education (CARTE). Any student wishing to declare a major in recreational therapy (RT) must, at the time of entrance into the curriculum, possess a minimum 2.5 GPA; have completed ENGL 1100, ENGL 1200; MATH 1065 or MATH 1066 or MATH 1067 or MATH 2127; and BIOL 2130, BIOL 2131 or BIOL 2140, BIOL 2141; have submitted an application; have a personal interview with a RT faculty member; and have completed a sequencing form (timetable) in consultation with a RCTX advisor in the HHP Advising Center and their RT faculty advisor. Prior to registering for 4000 level RCTX courses, all RT students are required to complete the Recreational Therapy Fieldwork Experience. This requires a minimum of 25 documented hours of directed experience in recreational therapy programs and recreation-based activities for individuals with disabilities. Information relating to this process is provided via department web site, through the HHP advising center and through the RT faculty. Admission to recreational therapy is competitive and limited due to space availability. Majors must maintain a minimum cumulative 2.5 GPA and a minimum cumulative 2.5 GPA in all cognate courses to remain in good standing. Majors must earn a minimum grade of C (2.0) in all required RCLS and RCTX courses. A student wishing to appeal should contact the RCLS department chair within two weeks of notification of academic deficiency. Graduates are eligible to apply to sit for the examination to become nationally credentialed as a Certified Therapeutic Recreation Specialist (CTRS) and Licensed Recreational Therapist (LRT) in North Carolina.

¹Course must be completed as a requirement to declare major.

²Student must be currently enrolled in or have completed course with a grade of C or better to declare major.

All guides are meant as an example of how a degree can be completed. However, individual plans will be developed for each student in consultation with the academic advisor. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing the individual academic pathway.

Please visit the Health & Human Performance Academic Advising Center site for the most updated transfer information.
