Students entering the school health degree program must have a minimum cumulative 2.5 GPA. See Section 4, Academic Advisement, Progression and Support, Special Requirements for the BS Degree for Students Preparing to Teach. Students will apply for licensure in Senior Year Spring Semester.

¹Students should take the PRAXIS Core before starting Junior Year Fall Semester, or take early in the Fall Semester. Required for entry into Upper Division courses.

All guides are meant as an example of how a degree can be completed. However, individual plans will be developed for each student in consultation with the academic advisor. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing the individual academic pathway.
