Minimum S.H. Required for Degree

<sup>&</sup>lt;sup>1</sup>Select from ACCT 4451, FINA 4454, MGMT 3352, MKTG 3852, OR MKTG 4992 (No NCCCS course equivalencies) Transferrable courses taken at the two year institution may count towards electives.

MAT 263 will be accepted as a substitute for MATH 1066. Students are recommended to complete this at the community college before transferring to ECU.

Visit the College of Business Advising website for updated information on approved transfer courses and prerequisites.

All guides are meant as an example of how a degree can be completed. However, individual plans will be developed for each student in consultation with the academic advisor. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing the individual academic pathway.
