Minimum S.H. Required for Degree 125

The Bachelor of Science in Elementary Education requires a minimum of 125 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation. Educator preparation is a program that requires formal admittance. Educator preparation majors will become official education preparation candidates once they have been fully admitted to upper division. Once enrolled in an educator preparation program and prior to admission to the upper division of study, students will be required to have a minimum cumulative 2.7 GPA, post passing scores on PRAXIS CORE, SAT, ACT or combination and meet technology competency requirements. Students must maintain a 2.7 GPA for retention in the upper division of all educator preparation programs.

¹Students enrolling at ECU must fulfill the writing across the curriculum requirement prior to graduation. To do so, each student must complete a minimum of 12 semester hours of writing intensive (WI) courses, including ENGL 1100 and ENGL 2201; at least 3 semester hours of WI courses in the major; and any other 3 semester hours WI course of the student's choice.

²Students who have successfully completed HEA 110 since the Fall 2016 term will earn ECU credit for both HLTH 1000 (2 hours) and KINE 1000 (1 hour). Students who completed HEA 110 prior to the Fall 2016 term and who have not also taken PED 110 will be responsible for meeting the Health-Related Physical Activity Competency component of the ECU General Education Program to meet degree requirements.

³Students enrolling at ECU are required to complete two three-hour diversity courses: one course with a domestic diversity (DD) focus and one with a global diversity (GD) focus. Courses that transfer to ECU as equivalent to an ECU course that is approved for diversity credit receive diversity credit. Transfer courses that are not equivalent to existing ECU diversity courses may be approved for diversity credit by the General Education and Instructional Effectiveness Committee. For a list of ECU courses that carry the DD and GD designation, visit the ECU catalog: <https://catalog.ecu.edu>

⁴Students in elementary education are required to complete on 18 s.h. Academic Concentration. Detailed information about concentration requirements can be found in the ECU academic catalog: <https://catalog.ecu.edu>. Transferrable courses taken at the NC Community College may count towards the Academic Concentration. Students are encouraged to complete at least 12 s.h. of Academic Concentration courses at the community college level.

This plan reflects the degree program's requirements published in the 2018-2019 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.

Key:

UGETC - Universal General Education Transfer Component courses

CAA GEN ED - Additional General Education Hours (AA requires 13-14 hours; AS requires 11 hours)

Pre-Major/Elective - Courses classified as pre-major, electives, or general education courses within the CAA, of which ACA 122 is required
