## Key: The Transfer Course List can be found at:

NC Transfer Course List

UGETC - Universal General Education Transfer Component courses

CAA GEN ED - Additional General Education Hours (AA requires 13-14 hours; AS requires 11 hours)

Pre-Major/Elective - Courses classified as pre-major, electives, or general education courses within the CAA (ACA 122 is required)

<sup>1</sup>Students enrolling at ECU must fulfill the writing across the curriculum requirement prior to graduation. To do so, each student must complete a minimum of four writing intensive courses, including ENGL 1100 and ENGL 2201, at least one writing intensive course in the major; and any other writing intensive course of the student's choice.

<sup>2</sup>Students who have successfully completed HEA 110 since the Fall 2016 term will earn ECU credit for both HLTH 1000 (2 hours) and KINE 1000 (1 hour). Students who completed HEA 110 prior to the Fall 2016 term and who have not also taken PED 110 will be responsible for meeting the Health-Related Physical Activity Competency component of the ECU General Education Program to meet degree requirements.

<sup>3</sup>Students in elementary education are required to complete an 18 s.h. Academic Concentration. Detailed information about concentration requirements can be found in the ECU academic catalog (https://catalog.ecu.edu) or by following the link below marked "Academic Concentrations". Transferrable courses taken at the NC Community College may count towards the Academic Concentration. **Students are encouraged to complete at least 12 s.h. of Academic Concentration courses at the community college level.** 

## **Academic Concentrations**

## Minimum Credit Hours Required for Graduation:

The Bachelor of Science in Elementary Education requires a minimum of 120 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation. An advisor will be assigned to each student to assist in program planning. Undergraduate educator preparation majors may also be required to complete an approved academic concentration (18 s.h.) as part of their programs of study. Educator preparation is a program that requires formal admittance. Educator preparation majors will become official education preparation candidates once they have been fully admitted to upper division. Once enrolled in an educator preparation program and prior to admission to the upper division of study, students will be required to have a minimum cumulative 2.7 ECU GPA, post passing scores on PRAXIS CORE, SAT, ACT or combination, a grade of C or higher in ELEM 2123, and meet technology competency requirements. Students must maintain a 2.7 GPA for retention in the upper division of all educator preparation programs.

120

View information about the Partnership East Program, a degree completion partnership program designed specifically for students that transition from a North Carolina community college.

For more information, visit the Elementary Education and Middle Grades Education Department website: Elementary and Middle Grades Education Department

**NOTE**: Completion of a 3 s.h. Global Diversity course and a 3 s.h. Domestic Diversity course are requirements of all ECU degrees. These courses can coincide with other General Education or Major courses. A list of all courses approved to meet the Global and Domestic Diversity requirement can be found in the University catalog: http://catalog.ecu.edu, click on the "Courses" link.

This plan reflects the degree program's requirements published in the 2020-2021 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway. Following the Baccalaureate Degree Plan does not guarantee admission to ECU or guarantee an AS or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements.

NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.

Please refer to the East Carolina University Admissions website for more information on admission and transfer of credits.
