HSMA 2000	3				
	Total:	3			

Key: The Transfer Course List can be found at:

NC Transfer Course List

UGETC - Universal General Education Transfer Component courses

CAA GEN ED - Additional General Education Hours (AA requires 13-14 hours; AS requires 11 hours)

Pre-Major/Elective - Courses classified as pre-major, electives, or general education courses within the CAA (ACA 122 is required)

¹Students enrolling at ECU must fulfill the writing across the curriculum requirement prior to graduation. To do so, each student must complete a minimum of four writing intensive courses, including ENGL 1100 and ENGL 2201, at least one writing intensive course in the major; and any other writing intensive course of the student's choice.

²Students who have successfully completed HEA 110 since the Fall 2016 term will earn ECU credit for both HLTH 1000 (2 hours) and KINE 1000 (1 hour). Students who completed HEA 110 prior to the Fall 2016 term and who have not also taken PED 110 will be responsible for meeting the Health-Related Physical Activity Competency component of the ECU General Education Program to meet degree requirements.

³Students interested in pursuing PT, OT and PA should take BIOL 2140/41 (BIO 168) & BIOL 2150/51 (BIO 169) instead of BIOL 2130/31.

NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.

Please refer to the East Carolina University Admissions website for more information on admission and transfer of credits.

This plan reflects the degree program's requirements published in the 2021-2022 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway. Following the Baccalaureate Degree Plan does not guarantee admission to ECU or guarantee an AS or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements.

Schedule of Courses Upon Admission to ECU

Associate in Science (AS) to BS Health Information Management

EC	U Summer befo	ore Junior Year	
HIMA 3000	3	NOTE: If your community college offers MED 122, the course can be completed during the freshman/sophomore year and wi satisfy the HIMA 3000 requirement at ECU and will not need to be completed during the summer.	
	Total:	3	
	ECU Junio	pr Year

HSMA 4010	3		
HSMA 4055	3		
Total:	15	Total:	11

Minimum Credit Hours Required for Graduation:

120

The Bachelor of Science in Health Information Management requires a minimum of 120 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation. A minimum 2.5 GPA is required for admission to the professional phase (junior and senior levels) of the Health Information Management curriculum. See health information management admission packet for specific admission information. Majors must earn a minimum grade of C (2.0) in all foundations, cognate and core courses before progressing on to subsequent courses in the HIMA curriculum. A student earning a grade below C (2.0) in any of these courses must petition the Department of Health Services and Information Management for probationary continuation and may be required to repeat the course. Three grades below C (2.0) will result in dismissal from the HIMA program.

Admission to the Health Information Management program is competitive. A completed application does not guarantee admission to the program.

Additional information and application for admission to the major can be obtained from the Department website:

<u>Department of Health Services & Information</u> <u>Management</u>

NOTE: Completion of a 3 s.h. Global Diversity course and a 3 s.h. Domestic Diversity course are requirements of all ECU degrees. These courses can coincide with other General Education or Major courses. A list of all courses approved to meet the Global and Domestic Diversity requirement can be found in the University catalog: http://catalog.ecu.edu, click on the "Courses" link.
