Majors must earn a minimum grade of C (2.0) in all ADRE courses. Admission to the program requires a minimum cumulative 2.5 GPA from ECU, successful completion of two core ADRE courses within the rehabilitation services major, and an application. **Program admission is competitive.** Admission to the university and/or achieving a minimum 2.5 GPA does not guarantee admission to the rehabilitation services degree program. NOTE: Completion of a 3 s.h. Global Diversity course and a 3 s.h. Domestic Diversity course are requirements of all ECU degrees. These courses can coincide with other General Education or Major courses. A list of all courses approved to meet the Global and Domestic Diversity requirement can be found in the University catalog: <http://catalog.ecu.edu>, click on the "Courses" link.

This plan reflects the degree program's requirements published in the 2021-2022 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway. Following the Baccalaureate Degree Plan does not guarantee admission to ECU or guarantee an AS or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements.

Please refer to the East Carolina University Admissions website for more information on admission and transfer of credits.

NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.
