Minimum S.H. Required for Degree 120

The Bachelor of Science in Urban and Regional Planning requires a minimum of 120 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation.

¹Students enrolling at ECU must fulfill the writing across the curriculum requirement prior to graduation. To do so, each student must complete a minimum of 12 semester hours of writing intensive (WI) courses, including ENGL 1100 and ENGL 2201; at least 3 semester hours of WI courses in the major; and any other 3 semester hours WI course of the student's choice.

²Students who have successfully completed HEA 110 since the Fall 2016 term will earn ECU credit for both HLTH 1000 (2 hours) and KINE 1000 (1 hour). Students who completed HEA 110 prior to the Fall 2016 term and who have not also taken PED 110 will be responsible for meeting the Health-Related Physical Activity Competency component of the ECU General Education Program to meet degree requirements.

³Students enrolling at ECU are required to complete two three-hour diversity courses: one course with a domestic diversity (DD) focus and one with a global diversity (GD) focus. Courses that transfer to ECU as equivalent to an ECU course that is approved for diversity credit receive diversity credit. Transfer courses that are not equivalent to existing ECU diversity courses may be approved for diversity credit by the General Education and Instructional Effectiveness Committee. For a list of ECU courses that carry the DD and GD designation, visit the ECU catalog: <https://catalog.ecu.edu>

⁴In consultation with a Planning Department advisor, the student should choose a minor or two concentrations. Available concentrations include: Coastal Resources, Community Health, Environmental Resources, Geographic Information Science, International Development, Public Administration, Recreation, Rural Development, and Urban Studies. If the student chooses to complete two concentrations rather than a minor, 9 s.h. must be completed from each of the two concentrations.

⁵In consultation with a Planning Department advisor, the student should choose one area of emphasis from: Coastal Planning & Development or Community Planning & Development. Coastal Planning & Development requires: PLAN 4015, PLAN 4045 or 4065, and PLAN 4055. Community Planning & Development requires PLAN 4025, PLAN 4040 or 4065, and PLAN 4075 or 5985.

⁶Choose 6 s.h. from the following: PLAN 1900, 2030, 3018, 3028, 3038, 3041, 3430, 4015, 4025, 4040, 4045, 4046, 4050, 4055, 4065, 4075, 4121, 4131, 4250, 4270, 4305, 4430, 5985.

This plan reflects the degree program's requirements published in the 2018-2019 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.
