How to add an ECU office address

1. Log into Pirate Port

2. Click on My Information

3. Click on Personal Information.

4. Under the Address section, click Add New

5. In the Type of Address field, select Employee – ECU Office Location.
6. In the Valid From field, enter today’s date. Leave Valid Until date blank.

7. Enter the office address.

8. Click Add.
