

## How to do I view the graduation and honors list?

1. From the ECU web page (www.ecu.edu), click the Pirate Port link.

The screenshot shows the ECU website navigation bar with links for 'I am...', 'About ECU', 'Academics', 'Libraries', 'Athletics', 'Health Sciences', 'Research', and 'ECUArts'. A search bar is present on the right. Below the navigation bar is a 'RESOURCES' section with a grid of links: Email, Blackboard, Canvas Pilot, Banner, PiratePort (highlighted with a red box), PirateID, Help Desk, Webex, Engage, Work Request, Directory, Maps, Virtual Tour, A-Z Index, Academic Calendar, and Event Calendar. Social media icons for Facebook, Twitter, Instagram, YouTube, and LinkedIn are at the bottom right.

2. You do not need to log in to Pirate Port
3. Click on Graduation and Honors List under Academics on the left side of the screen.

The screenshot shows a vertical menu titled 'Academics'. The menu items are 'Course Catalog', 'Course Equivalencies', and 'Graduation and Honors List' (highlighted with a red box).

4. Complete the criteria selection to view a list of Degree Recipients, Honors students, and degree recipients with distinction and click submit.

The screenshot shows the 'PiratePort' application for the 'Graduation and Honors List'. It includes a 'LOGIN' button and a welcome message. Below the message is a form with the following fields: 'listing options' (with 'degree recipients' selected), 'select term and year' (dropdown menu set to 'Spring 2020'), 'select student type' (dropdown menu set to 'list ALL graduating students'), 'select display format' (radio buttons for 'html (default)' and 'microsoft excel'), 'zip code' (text input), and three 'OR' options for search criteria: 'select a NC county', 'select a state' (with 'all cities' dropdown), and 'select a country'. 'reset' and 'submit' buttons are at the bottom right of the form area.
