The "Term: *" and "CRN:" fields are highlighted with a red box. To the right of the "CRN:" field is a "CRN look up" button with three dots. A green "Go" button is located to the right of the "CRN:" field.

4. Click the **GO**  button.
5. Click on the Degree Program Attributes to view any section level attributes.

Below this are four tabs: "Section Links and Corequisites", "Section Fees", "Degree Program Attributes", and "Contract and Block Schedule Information". The "Degree Program Attributes" tab is highlighted with a red box. Below the tabs is a "SECTION LINKS" section with a "Link Connector" field and a table with one row. The table has columns for "Attribute" and "Description". The first row contains "HUM" and "Humanities Requirement".

Attributes that have been assigned at the course level will be listed in addition to any program specific attributes if applicable.

Attributes that are listed in the catalog as “by section” such as WI* or SL* must be added at the section level when the section is created. If this section should be listed as WI or SL and the attribute is missing, please have the person that set up the section contact regis@ecu.edu. Include the CRN number and the attribute that needs to be added to the section.
