Academic requirements for admission into the University and specific requirements for admission into the program. This Agreement establishes a plan whereby a student at Agency will complete an Associate Degree in Nursing and be admitted to the College of Nursing at ECU for the continuation and completion of a Baccalaureate Degree in Nursing. Upon successful completion of the ECU academic requirements the student shall be awarded a Bachelor of Science Degree in Nursing from ECU

Program Requirements:

1. Complete an Associate Degree in Nursing.
2. Maintain at least a 3.0 GPA
3. Only classes with a "C" or better shall transfer

Students failing to obtain an Associate in Science Degree may transfer courses as shown on Exhibit B provided the students earn a grade of "C" or better in the classes.

Admission Requirements:

- Students admitted to ENC RIBN program of study must meet admission requirements of Craven Community College (CCC) and ECU
- CCC RIBN admission standards will meet the standard admission requirements for degree seeking freshman at ECU.
- The ECU Admission Office and Registrar's Office will accept CC official application/admission documents as official copies of ECU application/admission documents for the purpose of entering applicant data into the ECU student data system as a concurrent admitted RIBN student at both CCC and ECU. This condition applies only to accepted RIBN applicants from CCC Office of Admission and RIBN coordinator. These documents include but are not limited to: student application, official HS and college transcripts, official SAT or ACT scores, intent to enroll forms, signature pages, the "conviction" question page and other applicant supporting documents.
- ECU Admissions will only process the applications of the selected applicants into the RIBN course of study into the ECU student data system. RIBN students will be classified as "distance education" students at ECU.
- ECU will process the admission applications of the RIBN selected applicants each year, after the January 31st deadline, when RIBN applicants are chosen by CCC and ECU College of Nursing.
- An ECU application fee, for each accepted RIBN student, will be paid folder(s) and materials to the ECU office of admission, before ECU can officially accept the student. A student can obtain a fee waiver from their high school counselor and submit to RIBN coordinator, if applicable.
- All documents will be processed through CCC Office of Admission and RIBN coordinator and official copies

provided to the ECU undergraduate admissions office.

Academic Procedures:

- CCC will serve as “home school” for the first three years of students’ enrollment in the RIBN program of study, and ECU will serve as “home school” for students’ fourth year.
- Concurrent admission and continued enrollment for each school (CCC and ECU) will be ensured for RIBN student each year by maintaining enrollment status at “home school” following the RIBN program of study including one course per semester at ECU.
- If a student is accepted into the RIBN program of study, he or she must maintain a minimum grade of C in all courses. A withdrawal or grade below a C from any course will prohibit progression in the RIBN program of study.
- Upon successful completion of the first three years as a concurrent enrolled student and passing the NCLEX-RN exam, students will matriculate to ECU for the completion of the RIBN program of study.
