

6. Each party shall keep the other party informed of changes in curriculum, program and staff that may affect the requirements of this agreement. If courses listed in “Exhibit B” change, the parties will review the changes and, if acceptable, a new “Exhibit B” reflecting those changes may be substituted. The parties shall indicate on the new “Exhibit B” the effective date of the changes. If the changes are not acceptable to either party, then this Agreement may be renegotiated or terminated.
7. Agency shall not discriminate on the basis of race/ethnicity, color, gender identity, national origin, religion, sex, sexual orientation, age, veteran status, political affiliation, genetic information, or disability.
8. The ECU Bilateral Agreement Committee (Committee) shall review the Program biennially to determine its effectiveness. The Committee’s review will be in accordance with the standards set out in Section 3 of ECU Regulation No. 02.07.04, Approval and Review of Bilateral Agreements.
9. Agency shall be considered an independent contractor and as such shall be wholly responsible for its work in accordance with this Agreement. Nothing herein is intended or shall be construed to establish any agency, partnership, or joint venture between Agency and ECU.
10. Notwithstanding any other provision of this Agreement, the liability of ECU, as an agency of the State of North Carolina, for any injury or damage arising out of ECU’s, its employees’ or agents’ performance under this Agreement is subject to the limitations of the North Carolina Tort Claims Act, N.C.G.S. §143-291, *et. seq.* (the “Act”). ECU does not waive any rights or defenses under the Act or the rights and authority of the Attorney General of the State of North Carolina to represent ECU.
11. Agency shall indemnify and hold ECU, its trustees, officers, employees and agents harmless for any and all claims, loss, liability, demands, or damages, including attorney’s fees and court costs, due to the negligent acts of Agency’s employees or agents in Agency’s performance of this Agreement. This Section 10 shall not apply if the Agency is an agency of the State of North Carolina covered under the Act.
12. ECU has determined that Agency is a school official with a legitimate educational interest under the Family Educational Rights and Privacy Act (FERPA). If ECU provides Agency with “personally identifiable information” from a student’s education record as defined by FERPA, 34 CFR §99.3, Agency hereby certifies that collection of this information from ECU is necessary for Agency’s duties and responsibilities under this Agreement. Agency further certifies that it shall maintain the confidential status of the education records in their custody, and that it shall maintain the personally identifiable information as directed by FERPA. Failure to abide by FERPA may result in the interruption, suspension and/or termination of the relationship with Agency for a period of at least five (5) years from the date of the violation. If Agency experiences a breach relating to this information or if Agency re-discloses this information, Agency shall immediately notify ECU. To the extent allowed by law, Agency shall indemnify ECU for any breach of confidentiality or failure of its responsibilities to protect confidential information. Specifically, these costs may include, but

are not limited to, the cost of notification of affected persons as a result of its unauthorized release of ECU data provided to Agency pursuant to this Agreement.

13. During the Term of this Agreement, Agency shall, at its sole cost and expense, purchase and maintain general liability insurance with combined single limits coverage for bodily injury and property damage of not less than \$1,000,000.00 dollars per occurrence, \$2,000,000.00 dollars aggregate. Such insurance shall be issued in the name of the Agency with ECU and the State of North Carolina named as additional insureds or loss payees, using ISO Form 2026, or equivalent. Agency shall provide each policy or certificate of the policy issued on Accord Form 25 or equivalent, together with evidence of payment of premiums to ECU not less than 10 days after the Effective Date, and upon renewal of the policy, not less than 30 days prior to expiration of the term of the policy. Additionally, each policy shall have an endorsement that the policy shall not be cancelled or materially changed without at least 30 days prior written notice to ECU and an endorsement to the fact that no act or omission of Agency shall invalidate the interest of ECU. The policy shall be issued by an insurance company with an A. M. Best rating of "A" or better, and shall be issued by a company qualified to do business in the State of North Carolina. This Section 12 shall not apply if the Agency is an agency of the State of North Carolina or if Agency is self-insured, provided Agency shall provide proof of self-insurance in accordance with the notice requirements of this Section 12.

(23) EXHIBIT A

Academic requirements for admission into the University and specific requirements for admission into the program.

This Agreement establishes a plan whereby a student at Agency will complete an Associate Degree in Nursing and be admitted to the College of Nursing at ECU for the continuation and completion of a Baccalaureate Degree in Nursing. Upon successful completion of the ECU academic requirements the student shall be awarded a Bachelor of Science Degree in Nursing from ECU

Program Requirements:

1. Complete an Associate Degree in Nursing.
2. Maintain at least a 3.0 GPA
3. Only classes with a “C” or better shall transfer

Students failing to obtain an Associate in Science Degree may transfer courses as shown on Exhibit B provided the students earn a grade of “C” or better in the classes.

Admission Requirements:

- Students admitted to ENC RIBN program of study must meet admission requirements of Sampson Community College (SCC) and ECU.
- Sampson Community College (SCC) RIBN admission standards will meet the standard admission requirements for degree seeking freshman at ECU.
- The ECU Admission Office and Registrar’s Office will accept SCC official application/admission documents as official copies of ECU application/admission documents for the purpose of entering applicant data into the ECU student data system as a concurrent admitted RIBN student at both Sampson Community College and ECU. This condition applies only to accepted RIBN applicants from SCC Office of Admission and RIBN coordinator. These documents include but are not limited to: student application, official HS and college transcripts, official SAT or ACT scores, intent to enroll forms, signature pages, the “conviction” question page and other applicant supporting documents.
- ECU Admissions will only process the applications of the selected applicants into the RIBN course of study into the ECU student data system. RIBN students will be classified as “distance education” students at ECU.

- ECU will process the admission applications of the RIBN selected applicants each year, after the January 31st deadline, when RIBN applicants are chosen by SCC and ECU College of Nursing.
- An ECU application fee, for each accepted RIBN student, will be paid and materials to the ECU office of admission, before ECU can officially accept the student. A student can obtain a fee waiver from their high school counselor and submit to RIBN coordinator, if applicable.
- All documents will be processed through SCC Office of Admission and RIBN coordinator and official copies provided to the ECU undergraduate admissions office.

Academic Procedures:

- SCC will serve as “home school” for the first three years of students’ enrollment in the RIBN program of study, and ECU will serve as “home school” for students’ fourth year.
- Concurrent admission and continued enrollment for each school (SCC and ECU) will be ensured for RIBN student each year by maintaining enrollment status at “home school” following the RIBN program of study including one course per semester at ECU.
- If a student is accepted into the RIBN program of study, he or she must maintain a minimum grade of C in all courses. A withdrawal or grade below a C from any course will prohibit progression in the RIBN program of study.
- Upon successful completion of the first three years as a concurrent enrolled student and passing the NCLEX-RN exam, students will matriculate to ECU for the completion of the RIBN program of study.
