

## **Associate in Arts (AA) or Associate in Science (AS) to BFA Dance**

Due to the individual complexities of this program, interested transfer students should contact the ECU School of Theatre and Dance directly and as early as possible in their studies. For more information, students should visit the School of Theatre and Dance website (<https://theatredance.ecu.edu/dance-auditions>) or contact Tommi Galaska at [galaskat@ecu.edu](mailto:galaskat@ecu.edu) or 252-328-4916.

Admission to the BFA in program is competitive and requires an application and an in-person audition. In order to declare a major in dance, a student must be admitted through an entrance audition, and must pass an examination by a dance faculty jury in the spring of the first and second year to maintain enrollment in the program. Dance faculty will determine placement in technique levels. Dance majors must attain a minimum grade of C (2.0) in all required DNCE courses, and all students must earn a C (2.0) or better in technique classes to advance to the next level.

The Bachelor of Fine Arts in Dance requires a minimum of 120 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation.

## ECU GENERAL EDUCATION CORE

*The following NCCCS courses will meet the general education requirements at ECU.  
Using this list and your major's BDP will provide a smoother transfer process to ECU.  
Students must earn a "C" or higher in all courses.*

ECU requires **40 semester hour credits (shc)** for the General Education Core.

An Associate in Arts or Science at a North Carolina Community College requires **60-61 semester hour credits (shc)**.

In addition to the competency areas below, students must also fulfill the following:

- **4 writing intensive courses** to include ENG 111 (ENGL 1100) and ENG 112 (ENGL 2201). One additional course must be in the student's major at the university, and the other is the student's choice, to be completed at the university or the community college. The three NCCCS courses that meet that requirement are noted below.
- **3 semester hour credits in Global Diversity (GD)**. Courses which meet the Global Diversity requirement are noted with an asterisk in the lists below.
- **3 semester hour credits in Domestic Diversity (DD)**. Courses which meet the Domestic Diversity requirement are noted with an asterisk in the lists below.

### **Important Information for Transfer Students**

The Comprehensive Articulation Agreement (CAA) includes provisions for Baccalaureate Degree Plans (BDPs) which assist a student in not only fulfilling the general education requirements, but also completing pre-major and elective course work that will allow for a smoother transfer of credits to the university.

If a North Carolina Community College student does not intend to complete their Associate in Arts or Science before leaving their institution, it is recommended they complete courses based on the above breakdown of ECU's General Education Core Requirements. The designation of freshmen or sophomore status will be granted on a case-by-case basis; students who do not complete an AA or AS are not granted completion of lower-division general education or other degree requirements. This *may* prolong the time needed to complete their degree at ECU.

Those students who do identify their potential major and complete their AA or AS should follow the BDP for their potential major, using the above list only as a reference.
