## **Baccalaureate Degree Plan**

## Associate in Arts (AA) to BS Applied Atmospheric Science

The sequence below is contingent on the student completing the AA degree from a college in the North Carolina Community College System.

| NC Community College First Year<br>Fall Semester                            |   |   |  |  |

This cout the community college and through enrollment at ECU. |  |  |

UGETC - Universal General Education Transfer Component courses

CAA GEN ED - Additional General Education Hours (AA requires 13-14 hours; AS requires 11 hours)

Pre-Major/Elective - Courses classified as pre-major, electives, or general education courses within the CAA (ACA 122 is required)

<sup>1</sup>Students enrolling at ECU must fulfill the writing across the curriculum requirement prior to graduation. To do so, each student must complete a minimum of four writing intensive courses, including ENGL 1100 and ENGL 2201, at least one writing intensive course in the major; and any other

writing intensive course of the student's choice.

<sup>2</sup>Students who have successfully completed HEA 110 since the Fall 2016 term will earn ECU credit for both HLTH 1000 (2 hours) and KINE 1000 (1 hour). Students who completed HEA 110 prior to the Fall 2016 term and who have not also taken PED 110 will be responsible for meeting the Health-Related Physical Activity Competency component of the ECU General Education Program to meet degree requirements.

NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.

## Schedule of Courses Upon Admission to ECU Associate in Arts (AA) to BS Applied Atmospheric Science

| ECU Summer before Junior Year                 |          |   |    |  |

| Total:  | 16       | Total:  | 12 |  |

<sup>3</sup>Atmospheric Science Electives (choose 6 s.h. from the following): ATMO 4520, 4530, 4590; CHEM 1150/51; CSCI 1010, CSCI 1011; GEOL 1550, 1551, 3800; MATH 2283

Geography Electives (choose 6 s.h. from the following): GEOG 2250, 2350, 3220, 3250, 4210, 4220, 4230, 4270, 4320, 4360, 4801, 4802, 4803; PLAN 4015

Geospatial Technologies Electives (choose 6 s.h. from the following): GEOG 2410, 3420, 3450, 3460, 4150, 4410, 4420, 4430, 4440, 4450, 4460

Minimum Credit Hours Required for Graduation:

The Bachelor of Science in Applied Atmospheric Science requires a minimum of 120 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation.

For more information, visit the website for the Department of Geography, Planning and Environment:

Department of Geography, Planning and Environment

<sup>4</sup>**NOTE**: Completion of a 3 s.h. Global Diversity (GD) course and a 3 s.h. Domestic Diversity (DD) course are requirements of all ECU degrees. Though not required for transfer, recommended or required courses marked with GD or DD above should satisfy the requirement; students may choose other courses in these recommended areas. These courses can coincide with other General Education or Major courses. A list of all courses approved to meet the Global and Domestic Diversity requirement can be found in the University catalog: http://catalog.ecu.edu, click on the "Courses" link.

120

This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway. Following the Baccalaureate Degree Plan does not guarantee admission to ECU or guarantee an AA or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements.

Please refer to the East Carolina University Admissions website for more information on admission and transfer of credits.
