## Baccalaureate Degree Plan Associate in Arts (AA) to BS Engineering, Biomedical Engineering Concentration

Seeking advising from an ECU College of Engineering and Technology (CET) academic advisor is strongly encouraged as soon as the student is accepted to ECU. Visit the ECU CET advising website for more information.

The sequence below is contingent on the student completing the AA degree from a college in the North Carolina Community College System.

		ollege First Year	
	Fall Sen	nester	-
NCCCS Course	NCCC s.h	ECU Course Equivalent	ECU s.h
ENG 111	3	ENGL 1100 (WI) <sup>1</sup>	3
JGETC Humanities/Fine Arts Course	3	General Education Course	3
MAT 171-UGETC Mathematics	4	MATH 1065	4
CHM 151-UGETC Natural Sciences	4	CHEM 1150/51	4
EGR 150-CAA Premajor/Elective <sup>3</sup>	2	ENGR 1000/1012/1016	2

Total:	14	Total:	12

<sup>1</sup>Students enrolling at ECU must fulfill the writing across the curriculum requirement prior to graduation. To do so, each student must complete a minimum of four writing intensive (WI) courses, including ENGL 1100 and ENGL 2201; at least one WI course in the major; and any other WI course of the student's choice.

<sup>2</sup>Students who have successfully completed HEA 110 since the Fall 2016 term will earn ECU credit for both HLTH 1000 (2 hours) and KINE 1000 (1 hour). Students who completed HEA 110 prior to the Fall 2016 term and who have not also taken PED 110 will be

<sup>3</sup>Students must bundle EGR 150 and DFT 170 to receive credit for ENGR 1000 + 1012 + 1016.

<sup>4</sup>Students must bundle MAT 280 & MAT 285 to receive credit for MATH 3256 & MATH 4331 to apply as a substitution toward degree requirement of MATH 2154.

## Minimum Credit Hours Required for Graduation:

The Bachelor of Science in Engineering requires a minimum of 125 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation.

For more information, visit the Department of Engineering:

**Department of Engineering** 

125

<sup>5</sup>NOTE: Completion of a 3 s.h. Global Diversity (GD) course and a 3 s.h. Domestic Diversity (DD) course are requirements of all ECU degrees. Though not required for transfer, recommended or required courses marked with GD or DD above should satisfy the requirement; students may choose other courses in these recommended areas. These courses can coincide with other General Education or Major courses. A list of all courses approved to meet the Global and Domestic Diversity requirement can be found in the University catalog: http://catalog.ecu.edu, click on the "Courses" link.

This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway. Following the Baccalaureate Degree Plan does not guarantee admission to ECU or guarantee an AA or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements.

Please refer to the East Carolina University Admissions website for more information on admission and transfer of credits.

NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.
