Dual Enrollment with ECU			
<p style="text-align: center;">Students should dual enroll with ECU during the spring term of the Sophomore Year in order to take the appropriate pre-requisite to be eligible to apply for admission to the Didactic Program in Dietetics (DPD). For more information, contact the Center for Pre-Professional Advising at: ppac@ecu.edu.</p>			
NUTR 2105	3		
<p>Key: The Transfer Course List can be found at: NC Transfer Course List</p> <p>UGETC - Universal General Education Transfer Component courses</p> <p>CAA GEN ED - Additional General Education Hours (AA requires 13-14 hours; AS requires 11 hours)</p> <p>Pre-Major/Elective - Courses classified as pre-major, electives, or general education courses within the CAA (ACA 122 is required)</p>			

¹Students enrolling at ECU must fulfill the writing across the curriculum requirement prior to graduation. To do so, each student must complete a minimum of four writing intensive courses, including ENGL 1100 and ENGL 2201, at least one writing intensive course in the major; and any other writing intensive course of the student's choice.

²Students who have successfully completed HEA 110 since the Fall 2016 term will earn ECU credit for both HLTH 1000 (2 hours) and KINE 1000 (1 hour). Students who completed HEA 110 prior to the Fall 2016 term and who have not also taken PED 110 will be responsible for meeting the Health-Related Physical Activity Competency component of the ECU General Education Program to meet degree requirements.

NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.

Minimum Credit Hours Required for Graduation:

120

The Bachelor of Science in Nutrition and Dietetics requires a minimum of 120 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation.

Admission into the Didactic Program requires a minimum cumulative 3.0 grade point average (GPA) and a submitted application after all prerequisites have been completed.

Additional information and application for admission to the didactic program can be found on the Department of Nutrition Science website:

[Department of Nutrition Science](#)

³NOTE: Completion of a 3 s.h. Global Diversity (GD) course and a 3 s.h. Domestic Diversity (DD) course are requirements of all ECU degrees. Though not required for transfer, recommended or required courses marked with GD or DD above should satisfy the requirement; students may choose other courses in these recommended areas. These courses can coincide with other General Education or Major courses. A list of all courses approved to meet the Global and Domestic Diversity requirement can be found in the University catalog: <http://catalog.ecu.edu>, click on the "Courses" link.

This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway. Following the Baccalaureate Degree Plan does not guarantee admission to ECU or guarantee an AA or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements.
