

**Baccalaureate Degree Plan
Associate in Arts (AA) to BSN Nursing**

The sequence below is contingent on the student completing the AA degree from a college in the North Carolina Community College System.

Prospective students should contact the ECU College of Nursing Office of Student Services and Academic Advising for an unofficial transcript review to verify student readiness for the admission application process to the ECU BSN program. Visit their website for more information. <https://nursing.ecu.edu/student-resources/student-services/>

For those students interested in the RN to BSN program, please visit: <https://nursing.ecu.edu/bsn/rnbsn/transfer-courses/>. Course requirements for the RN to BSN program differ from the requirements for the AA to BSN.

¹Students enrolling at ECU must fulfill the writing across the curriculum requirement prior to graduation. To do so, each student must complete a minimum of four writing intensive courses, including ENGL 1100 and ENGL 2201, at least one writing intensive course in the major; and any other writing intensive course of the student's choice.

²Students who have successfully completed HEA 110 since the Fall 2016 term will earn ECU credit for both HLTH 1000 (2 hours) and KINE 1000 (1 hour). Students who completed HEA 110 prior to the Fall 2016 term and who have not also taken PED 110 will be responsible for meeting the Health-Related Physical Activity Competency component of the ECU General Education Program to meet degree requirements.

***Must earn a grade of C or better. Re-takes impact ranking formula and competitiveness for admission to the program.**

****A third Writing Intensive course is required to apply. Unfortunately, this requirement cannot be satisfied by any NCCCS course. Therefore, it is recommended potential students dual-enroll with ECU to take a Writing Intensive course such as ENGL 2100, 2200, 3570, 3260; EDUC 3200; or IRHE 2000. A full list of WI courses can be found in the [Undergraduate Catalog](#).**

Minimum Credit Hours Required for Graduation: 125

The Bachelor of Science in Nursing requires a minimum of 125 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation. A grade of C or higher is required for all NURS courses.

³NOTE: Completion of a 3 s.h. Global Diversity (GD) course and a 3 s.h. Domestic Diversity (DD) course are requirements of all ECU degrees. Though not required for transfer, recommended or required courses marked with GD or DD above should satisfy the requirement; students may choose other courses in these recommended areas. These courses can coincide with other General Education or Major courses. A list of all courses approved to meet the Global and Domestic Diversity requirement can be found in the University catalog: <http://catalog.ecu.edu>, click on the "Courses" link.

This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway. Following the Baccalaureate Degree Plan does not guarantee admission to ECU or guarantee an AA or BSN degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements.
