Minimum Credit Hours Required for Graduation: 120

The Bachelor of Science in Child Life requires a minimum of 120 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation. Acceptance into this major is on a competitive, space-available basis with admission each year prior to fall semester. To be admitted into the child life program, an application packet must be submitted to the child life program coordinator after the student has completed a minimum of 45 semester hours (45 s.h.), including the following courses with a minimum grade of B (3.0) or better: HDFS 2000, HDFS 2001, HDFS 2021, HDFS 3002, HDFS 3150; NUTR 1000; and an overall GPA of at least B (3.0). To remain in the program, students must maintain a 3.0 GPA with a minimum grade of B (3.0) in the following courses prior to internship (HDFS 4415): HDFS 3022, HDFS 3321, HDFS 3413, HDFS 4201, HDFS 4210, HDFS 4303, HDFS 4410, HDFS 4993. Students must have a minimum 3.0 GPA to enroll in the child life internship (HDFS 4415) and earn a minimum grade of B (3.0) in the internship to graduate as a child life major. Internships are nationally competitive, require formal application to the desired hospital or health care setting and typically need to be arranged one semester before enrollment. Students are responsible for interviewing and securing their own internship.

Acceptance into this major is on a competitive, space-available basis with admission each year prior to fall semester.

⁴NOTE: Completion of a 3 s.h. Global Diversity (GD) course and a 3 s.h. Domestic Diversity (DD) course are requirements of all ECU degrees. Though not required for transfer, recommended or required courses marked with GD or DD above should satisfy the requirement; students may choose other courses in these recommended areas. These courses can coincide with other General Education or Major courses. A list of all courses approved to meet the Global and Domestic Diversity requirement can be found in the University catalog: <http://catalog.ecu.edu>, click on the "Courses" link.

This plan reflects the degree program's requirements published in the 2021-2022 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway. Following the Baccalaureate Degree Plan does not guarantee admission to ECU or guarantee an AS or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements.
