

Baccalaureate Degree Plan
Associate in Arts (AS) to BS Design, Architectural Technology Concentration

Seeking advising from an ECU College of Engineering and Technology (CET) academic advisor is strongly encouraged before or as soon as the student is accepted to ECU. Visit the ECU CET advising website for more information.

This program will require additional semesters/years at ECU after transfer. For more information, please email cetadvising@ecu.edu.

The sequence below is contingent on the student completing the AA degree from a college in the North Carolina Community College System.

²Students who have successfully completed HEA 110 since the Fall 2016 term will earn ECU credit for both HLTH 1000 (2 hours) and

NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.

³If student did not take BIO 140/140A or GEL 230 at the community college, must take BIOL 1060 or GEOL 1700, in addition to one of

Minimum Credit Hours Required for Graduation: 120

The Bachelor of Science in Design requires a minimum of 120 semester hours. ECU requires a minimum 2.0 overall GPA and a minimum 2.0 major GPA for graduation.

For more information, visit the Department of Technology Systems: [BS in Design Program](#)

⁴NOTE: Completion of a 3 s.h. Global Diversity (GD) course and a 3 s.h. Domestic Diversity (DD) course are requirements of all ECU degrees. Though not required for transfer, recommended or required courses marked with GD or DD above should satisfy the requirement; students may choose other courses in these recommended areas. These courses can coincide with other General Education or Major courses. A list of all courses approved to meet the Global and Domestic Diversity requirement can be found in the University catalog: <http://catalog.ecu.edu>, click on the "Courses" link.

This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway. Following the Baccalaureate Degree Plan does not guarantee admission to ECU or guarantee an AA or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements.

Please refer to the East Carolina University Admissions website for more information on admission and transfer of credits.
