

#### **Baccalaureate Degree Plan**

NCCCS Associate in Arts **or** Associate in Science transfer to

East Carolina University, **BS CHILD LIFE** 

Acceptance into this major is on a competitive, space-available basis with admission each year prior to fall semester.

To be admitted into the child life program, an application packet must be submitted to the child life program coordinator after the student has completed a minimum of 45 semester hours (45 s.h.), including the following courses with a minimum grade of B (3.0) or better:

- HDFS 2000, HDFS 2001, HDFS 2021, HDFS 3002, HDFS 3150; NUTR 1000;
- and an overall GPA of at least B (3.0).

### **Application Process**

An application packet with the following items must be submitted to the child life program coordinator no later than the last Friday of March each academic year.

- completed application
- typed one-page (double-spaced) statement of purpose regarding why you would like to be admitted to ECU's child life program
- two to three letters of recommendation from faculty outside the child life program
- curriculum vitae or resume
- transcript of undergraduate work
- two or three selected examples of writing assignments
- documentation of a minimum of 50 volunteer hours and/or practicum hours working with children in a health care or special needs setting (ex. hospital, camp, clinic, etc.).

The faculty review committee will evaluate student applications on the basis of academic achievement and the standards published by the Association of Child Life Professionals, the governing board for the profession.

As a transfer student, and because admission is by application packet, it is important to contact an ECU Academic Advisor, <a href="https://hepadvising@ecu.edu">hhpadvising@ecu.edu</a>, as soon as possible.

An example of how to plan your first 2 years of the traditional 4 years of study is included at the end of this document.

# Recommended courses to take at a North Carolina Community College

ASL 111	ENG 111	PHI 240
	ENG 112	
COM 231		PSY 150
	MAT 143, 152, or 171	
EDU 144		SOC 210
EDU 145		
EDU 221		

- BIO 163 is also a transferable option if students choose not to take all EDU options.
- BUS 260, EDU 234, MED 122, and NUT 110 also transfer as required courses for this degree; however, they are not approved CAA electives.
- Other courses to complete an AA or AS are student's choice; no other current department recommendations.
- ECU's General Education Core can be used as possible suggestions for additional courses; however, completion of an approved NCCCS AA or AS waives the General Education requirement.
- For more information about General Education Core Requirements at ECU, and a list of specific course options, click <u>here.</u>
- You do not have to complete all NCCCS equivalents or recommended courses before transferring.
   However, taking minimal recommendations may prolong your time to degree at ECU.

# **Degree Requirements**

General Education Core Requirements
40 semester hours credit required; completion of an approved NCCCS AA or AS waives this requirement.

Competency	Semester Hour Credits Required	Notes
Written Communication	6	ENG 111 and ENG 112 should be taken at the community college to satisfy this competency.
Humanities & Fine Arts	9	At least one class should be labeled as Humanities (HU) and one should be labeled as Fine Arts (FA).
Social Sciences	9	NCCCS HIS courses are not considered a social science at ECU.
Natural Sciences	7	One course must include a lab.
Mathematics	3	Choose MAT 143 or 171.
Health Promotion and Health- Related Physical Activity	3	HEA 110 should be taken at the community college to satisfy this competency.

General Education Specific Requirements	Include the following, specific courses as part of your General Education Core:	NCCCS Equivalents
104	ANTH 1050 - Global Understanding BIOL 2130 - Survey of Human Physiology and Anatomy	BIO 163

## Potential 2 Year Map for BS Child Life

An example of courses to take at your community college.

### **First Semester at NCCCS Institution**

NCCCS Course	ECU Transfer Equivalent
ENG 111	ENGL 1100
COM 231	COMM 2410
MAT 143, 152, or 171	MATH 1050, 2228, or 1065
HEA 110	HLTH 1000/KINE 1000
ACA 122	COAD 1XXX (elective credit)

#### **Second Semester at NCCCS Institution**

NCCCS Course	ECU Transfer Equivalent
Natural Science course	
PSY 150	PSYC 1000
EDU 144	HDFS 2000
PHI 240	PHIL 1175
ASL 111 (or other Additional General Education	ASLS 2020
course)	

### Third Semester at a NCCCS Institution

NCCCS Course	ECU Transfer Equivalent
ENG 112	ENGL 2201
Humanities/Fine Arts course or Additional General	
Education course or 2 <sup>nd</sup> Math	
SOC 210	SOCI 2110
EDU 145	HDFS 2001
Additional General Education Course	

#### **Fourth Semester at a NCCCS Institution**

NCCCS Course	ECU Transfer Equivalent
EDU 221	HDFS 3150
Social Behavioral Science course or Additional	
General Education course or 2 <sup>nd</sup> Natural Science	
Additional General Education course	
Additional General Education course	
Additional General Education course or Elective	
course as needed to complete degree requirements	

- Schedule at ECU will depend on courses completed at the community college and semester of entry (fall or spring).
- You should email hhpadvising@ecu.edu as soon as possible for more specialized advising.
- This schedule is dependent on taking full-time course loads; however, it may not be realistic to take a full-time course load if you are working full-time or part-time, are a caregiver, or have other obligations. Ask your advisor how you can be most successful.
