

Baccalaureate Degree Plan

NCCCS Associate in Arts *or* Associate in Science
transfer to
East Carolina University, **BS Industrial Distribution and Logistics**

- Distribution and Logistics represents professions concerned with the movement and delivery of goods throughout the world.
- Whether you are a new first year student, a transfer student, or an industry professional looking to enhance your career opportunities, we have a degree program for you. Enroll in face-to-face classes in our state-of-the-art Science and Technology Building or enjoy the flexibility of a completely online option through North Carolina's leader in distance education.
- The Industrial Distribution and Logistics, BS degree program is accredited by the Association of Technology, Management, and Applied Engineering.
- As a transfer student, it is important to contact an ECU Academic Advisor, cetadvising@ecu.edu, as soon as possible.

An example of how to plan your first 2 years of the traditional 4 years of study is included at the end of this document. However, depending on when you transfer and how many recommended courses you take at the community college, it may take longer than 4 years to complete any degree at ECU.

Recommended courses to take at a NCCCS community college:

BUS 115	ECO 251	MAT 152
		MAT 171
CIS 110	ENG 111	
	ENG 112	PSY 150

- Other courses to complete an AA or AS are student's choice; no other current department recommendations. Other equivalent courses may be listed in the degree requirements.
- Completion of an approved NCCCS AA or AS waives the General Education requirement. For more information about the waiver, [click here](#).
- For more information about General Education Core Requirements at ECU, and a list of specific course options, click [here](#).
- You do not have to complete all NCCCS equivalents or recommended courses before transferring. However, taking minimal recommendations may prolong your time to degree at ECU.

- Schedule at ECU will depend on courses completed at the community college and semester of entry (fall or spring).
- You should email cetadvising@ecu.edu as soon as possible for more specialized advising.
- This schedule is dependent on taking full-time course loads; however, it may not be realistic to take a full-time course load if you are working full-time or part-time, are a caregiver, or have other obligations. **Ask your advisor how you can be most successful.**
