

Baccalaureate Degree Plan

NCCCS Associate in Arts **or** Associate in Science
transfer to
East Carolina University, **BM MUSIC**

The Music, BM has three concentrations:

- Music Therapy
- Music Performance
- Music Theory-Composition

Because this major is complex, transfer students should contact the ECU School of Music directly and as early as possible in their studies.

Interested students should email Judy Barber, Assistant Director for Student Services at musicadmissions@ecu.edu.

Prospective music majors and minors must be admitted both to ECU and the School of Music. Admission to the university does not guarantee admission to the School of Music.

A satisfactory music performance audition/evaluation is required, and transfer students will be given more specialized tests to determine their levels of study in music theory, ear training, music history, and piano.

Application to the School of Music is made by completing a Music Application which requires a statement of purpose and two letters of recommendation. Completed applications must be received at least two weeks prior to the requested audition date.

Recommended courses to take at a North Carolina Community College

- Students in their first semester at a North Carolina Community College should email musicadmissions@ecu.edu and/or somadvising@ecu.edu for suggestions on NCCCS courses to take. You may also choose courses toward ECU's General Education Core.
- For more information about General Education Core Requirements at ECU, and a list of specific course options, [click here](#). Below are suggestions for completing areas of ECU's General Education Core.

ENG 111
ENG 112

HEA 110

MAT 143 or 171

PSY 150 (*for Music Therapy
concentration*)

Students should expect to spend 4 years at ECU, regardless of time spent at the community college.

To minimize additional semesters, students should consider Reverse Transfer instead of completing an AA, AS, or AFA.
