

## Baccalaureate Degree Plan

NCCCS Associate in Arts **or** Associate in Science  
*transfer to*  
 East Carolina University, **BA SOCIOLOGY**

Students intending to major in Sociology must earn a “C” or higher in SOCI 2110 (SOC 210).

Transfer students should email an Academic Advisor as soon as possible, [thcasadvising@ecu.edu](mailto:thcasadvising@ecu.edu).

*An example of how to plan your first 2 years of the traditional 4 years of study is included at the end of this document. However, depending on when you transfer and how many recommended courses you take at the community college, it may take longer than 4 years to complete any degree at ECU.*

### Recommended courses to take at a North Carolina Community College

ENG 111 ENG 112	HEA 110	MAT 143 or 171	SOC 210	It is recommended you complete Foreign Language, Levels 1-4 at your community college.	<u>Example:</u>  SPA 111 SPA 112 SPA 211 SPA 212
--------------------	---------	----------------	---------	--	---

- Other courses to complete an AA or AS are student's choice; no other current department recommendations.
- ECU's General Education Core can be used as possible suggestions for additional courses; however, **completion of an approved NCCCS AA or AS waives the General Education requirement, with the exception of the Health Promotion and Health-Related Physical Activity requirement unless a student completes HEA 110.**
- For more information about General Education Core Requirements at ECU, and a list of specific course options, click [here](#).
- **Students do not have to complete all recommended courses before transferring to ECU.**

<b>Minor and Electives</b>	Complete a minor and any remaining electives needed to complete graduation requirements.
<b>Licensure/Certification Requirements in North Carolina</b>	The curriculum for all ECU Certificates, Degrees, and Minors have been designed to meet the licensure/certification requirements in North Carolina and prepare students to sit for licensure/certification exams in North Carolina. The various licensure boards in each state are responsible for setting requirements for licensure/certification in their state. Other states have their own requirements, and you'll want to make sure your program meets criteria in your home state (or state where you intend to work) before you apply. Search our state Licensure Dashboard to see if the program you're interested in meets the educational requirements for licensing/certification in your home state (or state where you intend to work).

- Schedule at ECU will depend on courses completed at the community college and semester of entry (fall or spring).
- You should email [thcasadvising@ecu.edu](mailto:thcasadvising@ecu.edu) as soon as possible for more specialized advising.
- This schedule is dependent on taking full-time course loads; however, it may not be realistic to take a full-time course load if you are working full-time or part-time, are a caregiver, or have other obligations. **Ask your advisor how you can be most successful.**
