Transfer Guide for Associate in Fine Arts

Delivery Method: On-Campus

Contact: artadvising@ecu.edu

Program Admission Notes:

To apply to ECU as a transfer student:

- Complete, or have in progress, a minimum of 24 transferable college-level courses
- Have a minimum 2.0 cumulative GPA for all college-level coursework attempted

Even with the completion of an AFA, most transfer students still spend more than 2 years at ECU completing their Art, BFA, based on portfolio and other requirements. Reverse Transfer is highly recommended.

Acceptance into a concentration is by portfolio review.

- Entrance is competitive and space may be limited.
- Students not accepted into their preferred area of concentration should be prepared to seek alternative areas of concentration and/or degree programs.
- Students should speak with faculty in their desired concentration to receive detailed instructions regarding the portfolio review process and requirements.

The AFA does not allow for the General Education Waiver.
