How do I find ECU course equivalencies for transfer courses?

1. From the ECU web page (www.ecu.edu), click the Pirate Port link.

2. You do not need to log in to Pirate Port

3. Click on Course Equivalencies under Academics on the left side of the screen.

4. Select a State from the pull-down menu and click submit.
5. Select an Institution from the pull-down menu and click submit

6. Course Equivalencies are listed from the available list based on State and institution selected.

**If you would like a course added to the Course Equivalency table, make updates to a transferred course on a student banner record or update a course based on Transfer by Title please contact CREDITEVAL@ecu.edu.**
